

Position:

Finance & Treasury Operations Manager

Who We Are:

Renovo Financial is a rapidly growing Chicago-based private lender serving real estate investors who acquire and renovate single and multi-family residential properties. We pride ourselves on supporting clients by providing unparalleled service, from the loan application through the payoff. Renovo's reliability and "win-win" solutions-oriented approach is just one reason why our repeat and referral rates far exceed the industry average. Renovo was honored to be named one of Crain's 50 fastest-growing Chicago companies. Come join us...it's a "win-win"!

Position Summary:

The Finance & Treasury Operations Manager ("Manager") is responsible for facilitating Renovo's funding, treasury management, and whole loan trading activities in tandem with Renovo's finance and capital market teams. The Manager will direct critical loan funding allocation and cash planning activities and will also be expected to develop funding schedules, loan tapes, and pipeline reporting. The Manager must be highly proficient in Excel, including VBA macros, and will also be expected to undertake a variety of financial analyses as directed by the CFO. The role requires intensive cross-functional collaboration - the Manager will work closely with various departments across Renovo, including Loan Servicing, Post-Closing, and Credit/Risk.

Key Responsibilities:

- Undertake short-term cash planning and long-term treasury infrastructure building activities
- Develop tools and dashboards to enable streamlined + dynamic loan funding allocation decisioning
- Evaluate and support the implementation of new financing and secondary market relationships
- Track metrics related to financing eligibility and covenants
- Compile and QC loan level documentation to support capital markets activities
- Facilitate loan funding activities by synthesizing credit data and gathering relevant documentation
- Perform various ad hoc analysis and other responsibilities as needed

Position Requirements:

- 4-10 years of relevant professional experience
- B.A. / B.S. from an accredited four-year college/university
- Advanced skills with Microsoft EXCEL, including VBA macros
- Strong analytical skills and problem-solving ability with high attention to detail
- Excellent organizational abilities and time management skills
- Ability to multitask and meet deadlines
- Effective communication skills, both written and spoken
- Team-oriented personality
- Willingness to adapt and change with a fast-growing company
